

Please print this form and distribute to other women

## Georgia Women for McCain

**Yes, I would like to be a member of the Georgia Women for McCain!**

You will have access to press releases, event notices via e-mail and access to the new Georgia Women for McCain website which is now up and running at [www.GeorgiaWomenForMcCain.org](http://www.GeorgiaWomenForMcCain.org)

As President George W. Bush has said on many occasions, he could never have won the Presidency without the Republican women's vote and support. Let's prove that we can do it ONE MORE TIME for Sen. John McCain. **Heaven help us if Obama is elected !** It is time for our women to get to work in our neighborhoods, work places, social organizations, churches, and everywhere to see that McCain is elected. **YOUR HELP IS NEEDED!**
